Assistant coaches are not required to join any associations. We still request their info for the directory. Varsity coaches are required to join all three associations in order to be a member. A GCSSCA banquet ticket is included in the VARSITY COACH'S local dues. Assistant coaches are not required to join at any level. Many assistant coaches only join the local association (GCSSCA) because it gives them more honorable mention selections when voting for All-Cleveland. Membership in the State association will be free for assistants who join the local association. Joining the National (NSCAA) gives them full benefits in the National Association. A listing of the benefits can be found on our website.

Make checks payable to GCSSCA and send them to Brady Dean on or before August 15, 2008 to be eligible for membership. **Brady Dean :: 11690 Chillicothe Rd. :: Chesterland, OH 44026**
